EXPERIENCE

SWAYABLE, New York, NY **2024 - 2026**

Senior Manager, Client Success and Research (2026)

- Directed messaging, creative, and GTM validation for enterprise accounts in fintech, tech, and banking, shaping messaging, go-to-market strategies, and media investment decisions, overseeing $5.1M in annual recurring revenue
- Served as primary liaison between client success and engineering, influencing product roadmap priorities by adapting client feedback into AI-powered capabilities, enabling 20+ late-stage opportunities worth $500K+ in pipeline

Manager, Client Success and Research (2024 - 2026)

- Advised 60+ clients on strategic direction across marketing, product launches, innovation messaging, and public communications, validating decisions against audiences before global deployment
- Partnered with Sales to build team-wide handoff, preserving value propositions, customer goals, and pain points
- Synthesized 650+ randomized controlled trials and 1,000+ performance signals into audience segmentation, positioning strategies, creative optimizations, and media-investment recommendations

KANTAR, New York, NY **2022 - 2024**

Consultant, Brand Strategy (2023 - 2024)

- Partnered with a global technology leader's marketing organization to translate brand-equity and customer-perception data into market-specific growth strategies, generating $3.6M in revenue across key international markets
- Led 14+ customer insight initiatives for a global payments brand across APAC, EMEA, and Canada, identifying value-perception drivers that shaped positioning and merchant-engagement priorities

Client Leadership Manager, Media Effectiveness (2022 - 2023)

- Managed a portfolio of 35+ marketing effectiveness engagements for Fortune 500 clients, aligning research design, analytics, and executive recommendations, delivering $2.8M in revenue
- Evaluated marketing effectiveness across digital and traditional channels for campaigns ranging from $1M to $50M+ in spend, advising clients on media mix, audience targeting, and frequency adjustments to maximize ROI
- Synthesized consumer and media-performance data into 70+ executive-level recommendations annually, enabling senior leaders to act on marketing-investment decisions

TAPRESEARCH, Menlo Park, CA **2020 - 2022**

Senior Customer Success Manager, Brand Insights (2022)

- Built and scaled Customer Success infrastructure for a newly launched brand-tracking product, standardizing onboarding and implementation to drive a 2x increase in sales
- Partnered with executive stakeholders at a national baked-goods brand to design a customized consumer-insights program, translating brand-perception data into marketing strategy that grew annual contract value 250% at renewal

Account Manager, Market Insights (2020 - 2022)

- Executed product-utilization strategies across 25+ client accounts, growing portfolio revenue 40% in six months
