## EXPERIENCE

**SWAYABLE,** New York, NY **2024–2026**
*AI-powered creative pre-testing and persuasion intelligence platform*
**Senior Manager, Client Success and Research (2026)**

- Directed creative strategy and go-to-market validation for leading CPG and packaged-food brands, shaping brand positioning, messaging, and media-investment decisions across a $5.1M ARR portfolio
- Led cross-functional project teams across client success and engineering, translating brand-client and consumer insights into roadmap priorities and AI-powered features that unlocked 20+ late-stage opportunities worth $500K+ in pipeline

**Manager, Client Success and Research (2024–2026)**

- Advised 60+ clients across retail, tech, and wellness on marketing strategy, product launches, and innovation messaging, validating decisions with target consumers before rollout
- Synthesized insights from 650+ creative effectiveness studies and 1,000+ performance signals per asset to optimize campaign messaging, audience segmentation, and media investment ahead of launch

**KANTAR,** New York, NY **2022–2024**
**Consultant, Brand Strategy (2023–2024)**

- Partnered with a global technology leader's marketing organization to translate brand equity and consumer perception data into market-specific brand strategy, generating $3.6M in annual revenue across international growth markets
- Generated $1M in revenue from 14+ merchant and customer insight initiatives for a global payments brand across APAC, EMEA, and Canada by translating cardmember spending-behavior data into merchant-facing value propositions

**Client Leadership Manager, Media Effectiveness (2022–2023)**

- Managed 35+ marketing-effectiveness engagements for Fortune 500 clients, aligning research design and analytics to executive recommendations that delivered $2.8M in revenue
- Evaluated marketing effectiveness across digital and traditional channels for campaigns ranging from $1M to $50M+ in spend, advising brand teams on media mix, audience targeting, and frequency to maximize ROI
- Synthesized consumer and media-performance data into 70+ executive-level recommendations annually, enabling senior brand and marketing leaders to act on marketing-investment decisions

**TAPRESEARCH,** Menlo Park, CA **2020–2022**
*Agile market research and consumer insights platform for CPG and retail brands*
**Senior Customer Success Manager, Brand Insights (2022)**

- Built Customer Success infrastructure for a newly launched CPG brand-tracking product, designing onboarding and implementation processes that doubled product sales
- Partnered with a national baked-goods brand's executives to design a customized consumer-insights program, translating perception data into marketing-strategy recommendations that grew annual contract value 250% at renewal

**Account Manager, Market Insights (2020–2022)**

- Grew portfolio revenue 40% in six months across 25+ accounts in food manufacturing and software

## ADDITIONAL

- **Skills:** Kantar LINK and BrandZ, Qualtrics, Tableau, SPSS, MarketSight, Excel, PowerPoint, Canva, HubSpot, Claude, ChatGPT
- **Certifications & Awards:** Digital Marketing Strategy, Kellogg Executive Education (2025); Kantar Goldstar Leadership Program, selected from 500+ applicants (2023); IPC Quantitative Certificate (2022)
- **Volunteer:** Kantar (Community Outreach Liaison); Artist Talk On Art (Operations); 50:50 Startup (Marketing Specialist)
